Graduation Registration

<http://ercha.com/graduation.php>

ERCHA is delighted to host a graduation ceremony each spring. We invite the participation of all graduating seniors whose families belong to ERCHA.

The ceremony and reception are planned by the graduates and parents (Parent Team) within guidelines established by the ERCHA Board. Individual families pay for their own student's cap, gown, announcements, and diploma. However, other expenses are shared between the families and are usually between \$50 and \$75, depending on the number graduating. ERCHA does make a contribution to help offset these costs.

Families of participating seniors must be ERCHA members. (Returning members need to re-join ERCHA at the May meeting. New families must join ERCHA before November 30.)

Graduation registrations, with a non-refundable \$50 deposit (payable to ERCHA), are due by November 30.

The decision to accept any graduation registrations submitted after November 30 (only by families new to ERCHA) will be made by the ERCHA Chairman and Co-Chairman.
